

Please do not repeal the rules against cross-ownership in media. Cross-ownership stifles the diversity and quantity (and sometimes quality) of news a community receives.

In a related matter, two television news stations in Chico have combined their operations and the quality and diversity of the news they deliver has diminished. The anti-regulatory climate at the FCC is very distressing. And I implore you to do all you can to keep vertical and horizontal cross-ownership from harming competition in the media. Thank you.
